ABOUT THE COLLEGE

Bidhan Chandra College (Government Sponsored), Asansol , District Burdwan, West Bengal is a co-education institute of repute established in the year 1961. The member of the Asansol Educational Development Committee , a Relief Fund and Welfare Society took initiative in founding this college and Sri Sasthi Narayan Gorai donated the sum of Rs. 1,11,111(One lakh Eleven Thousand One hundred and Eleven) to support their noble cause . The institution owes its name to Dr. Bidhan Chandra Roy, an illustrious son of Bengal and one of the early Chief Ministers, and its foundation stone was laid by none other than Dr. Sarvapally Radhakrishnan, an internationally acclaimed scholar of Indian Philosophy and the then Vice President of India, Since then, we have been one of the major higher - educational institutes of West Bengal. affiliated to the University of Burdwan and approved by University Grants Commission. Located in an urban area of the still most significant industrial zone (Asansol- Burnpur) of the state, our college is spread across its main campus of 27.10 bighas of land adjacent to the Budha Water Supply Tank and The Missionaries of Charity - Nirmal Hriday Home for the Orphans. In addition , it has 2.06 acres of annexed space ready for further development.

At present , the college runs in three sections (morning, day and evening), offering various undergraduate courses (both honours and pass course) in the arts, science , and commerce streams . In Post graduate course in English and arts honours - Bengali, English , Hindi, Urdu, Sanskrit, History, political Science, Economics, Philosophy, and Geography are offered; in science honours almost all major subjects like Physics, Mathematics, Chemistry and Zoology are taught ; and in commerce , honours in Accountancy and taxation are opted for alongside various other professional courses like BBA, BCA, and Computer Science .

We have also been successful in establishing a Study Centre of Indira Gandhi National Open University in our campus for providing people with the opportunity of higher education through distance mode , Additionally, we retain in-house computer centre in professional agreement with DOEACC.

It is the strategic location of the college which has helped us develop a uniquely urban- rural characteristic. A multilingual cosmopolitan ambience with an admirable mixture of first generation learners belonging to the SC, ST, and OBC categories can be observed in our campus very easily . Children of the labourers of SAIL- ISP , Burnpur are one of the chief beneficiaries of our college. We also cater the educational need of the minority communities , especially the Muslims who often come from the Alamnagar and Rahmatnagar areas of the Asansol Municipal Corporation. Ours is the only higher- education institution in the Asansol - Burnpur area which has been really proud of having almost fifty percent students with mother - tongues other than Bengali . And above all , we feel privileged in receiving every year a good number of students from the nearest state Jharkhand and district of Bankura and Purulia.

Our aim has been to treat all of our students as equal and create an environment of brotherhood and solidarity among them. We always try to endow them with a well - balanced personality by taking care not only of their academic but also of co-curricular needs.

We have signed memorandum of understanding with Bharat Sanchar Nigam Limited, a company of national repute so that it may erect its networking tower inside our campus . Working locally we have also signed memorandum with Bidhan Chandra Argo Hatch which has established a fish, poultry birds and mushroom cultivation and training centre, These have been the basic initiatives taken by us to generate internal revenue . We have further projects in our mind which we shall love to implement in near future.

From President's Desk :

Sri Moloy Ghatak
President, Governing Body
Bidhan Chandra College
Asansol - 713304

It is a matter of great pleasure that Bidhan Chandra College, Asansol, a premium academic Institution of the Asansol-Durgapur Industrial zone, is publishing the college prospectus in view of the admission to the degree courses of the session 2018 – 19. This college is the one of the higher education Institution in West Bengal which was founded in the name of the eminent physician, former Chief Minister of our State and one of the makers of Modern India, Dr. Bidhan Chandra Roy, in the year 1961. And none other than Dr. Sarvapalli Radhakrishnan, the great teacher, leading Philosopher and the then Vice President of India, came straight to Asansol to lay the fiundation stone of thuis college.

With the rich heritage Bidhan Chandra College has been following since its establishment the footshep these two visionaries and disseminating knowledge among the youth across class, caste, gender and religion, with a special focus on pupils of minority and backward class and caste background. The reach of this goal has been extended beyond the surrounding areas to different places. Amidst every kind of odds and ups and downs the different wings of the college have been pursuing tghis objective with unflinching efforts. Now, the commencement of every new academic session brings new faces with new hopes and the entire college community earnistly look forwward to welcome young aspirant batch of new students in different discipline. I extend my wholehearted support and good wishes to the new comers. To quote Radhakrishnan: let “knowledge, beauty and love.... be revealed” in each of them.

From Principal Desk :

Dr. Falguni Mukhopadhyay
Principal
Bidhan Chandra College

**Where the mind is without fear and the head is held high
Where knowledge is free.....**

As one of the premiere institutes of the district of Paschim Bardhaman, Bidhan Chandra College, Asansol, has long been engaged in the dissemination of knowledge and culture amongst the students of mainly the borderlands of West Bengal, Jharkhand and Bihar. The college is proud of its rich heritage, as the only college being named after the founder of Modern Bengal, Dr. Bidhan Chandra Roy, during his lifetime. Its foundation stone was also laid by none other than Dr. Sarvapalli Radhakrishnan. Recently our institute has entered into a new phase of cultivation of knowledge with its accreditation by the National Assessment and Accreditation Council under University Grants Commission.

Rabindranath Tagore had said "Educational activities can flow like blood circulation system in a living organism only through the close kinship between teacher and student." This college always nurtures for a strong bondage between teachers and students to make it a 'home away from home' for our dear learners. We prepare our students to become confident, to take on the best in the world, at the same time remaining concerned to their roots. In this globalized world, boundaries are becoming blurred, in the way of perfect transmission of knowledge and skills. Our endeavor is to prepare our talents to take fullest advantage of this opportunity. We ask each of our students to promise to maintain a high record of achievement which has been the legacy of Bidhan Chandra College.

Our main emphasis is on teaching and learning with special thrust on promotion of research activities. The college imparts an environment to encourage innovative learning and teaching practices. Over the years our academic standard is persistently improving. Besides curriculum our talents are honed through amalgamation of games, sports and other cultural activities. We are the Joint Winner in University T-10 Cricket Championship 2017 and our NCC students bag medals and awards in state and national levels.

Special provisions for under-privileged section of the society got prominence in the mind of constitution makers. We here at Bidhan Chandra College make every effort to support poor and down-trodden section of the society with special emphasis on minority and women education. The number of our girl students is higher than their male counterpart, in the current academic session and we are leading the struggle towards elimination of gender gap in education. Our alumni comprises of eminent personalities from different walks of life. The Alumni Association is very active in support and assistance to the college. The past pupils, spread all over the globe, have shown their credentials in almost every field of activities.

In fifty seven years of glorious journey we have achieved a lot but still a lot more remain to be achieved and pursued: for life is all about growing and improving and getting better.

At this crucial juncture, all the wings of our college promise to welcome each and every newcomer to a cordial environment of learning and sharing.

With best wishes
Dr. Falguni Mukhopadhyay
Principal

These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on-training/field work. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability.

Honours Course of Study has to pursue 142 credits in six semesters and similarly a student of Program Course has to complete 122 credits.

3.3 Eligibility to appear in the examination and examination details:

3.3.1 In the semester system, the Three year under-graduate Examinations will be held in six parts

– (i) The First and Second Semester for the first year students and (ii) The Third & Fourth Semester for the second year students and (iii) Fifth & Sixth Semester for the third year students. In case of a Five Year Course of Studies, it will be extended by another two years and will be held in ten semesters. In case of a three year degree course of studies the academic sessions including the examinations for first, third and fifth semester are July to December and that for second, fourth and sixth semester are January to June. But in case of a five year degree course of studies, the academic sessions including the examinations for first, third, fifth, seventh and ninth semester are July to December and that for second, fourth, sixth, eighth and tenth semester are January to June.

3.3.2 A candidate shall be eligible for appearing at any of the Semesters of U.G. Examination, fulfilling the following two essential conditions:

- Minimum 75% attendance of lectures delivered.
- Submission of stipulated fees as prescribed by the University

In case of non-fulfilment of the first condition mentioned above the candidate is to take re- admission in the subsequent year.

3.5 Results

3.5.1 Grading on 10 point scale

Based on the performance of students, each student will be awarded **Grade** at the end of the semester following seven point grading system. The letter grades and the corresponding grade points are as follows:

Qualification	Grade	% of Marks	Point
Excellent	‘E’	90 - 100	10
Very Good	‘A’	80- 89	9
Good	‘B’	70 - 79	8
Fair	‘C’	60 - 69	7
Average	‘D’	50- 59	6
Pass	‘P’	40 - 49	5
Fail	‘F’	Below 40	0

**Further there shall be another grade 'I' (with Point 0) for students for whom disciplinary actions remain pending.*

3.5.2 Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

$$SGPA = \frac{\sum_{i=1}^n C_i G_i}{\sum_{i=1}^n C_i}$$

The Semester Grade Point Average (SGPA) will be computed in each semester as per the following formula

$$CGPA = \frac{\sum_{i=1}^n C_i S_i}{\sum_{i=1}^n C_i}$$

C_i = The number of credits allotted to a particular course

G_i = is the Grade points corresponding to the grade awarded for the course

$I=1,2,\dots,n$ represent the number of courses in which a student is registered in the concerned semester. The SGPA is rounded off to two decimal places.

The Cumulative Grade Point Average (CGPA) will be computed at end of each semester as per the following formula

$$CGPA = \frac{\sum_{i=1}^n C_i S_i}{\sum_{i=1}^n C_i}$$

C_t = is the total credits of the corresponding semesters.

S_t = is the SGPA of the corresponding semesters

$I=1,2,\dots,n$ represent the number of courses in which a student is registered in the concerned semester. The CGPA is rounded off to two decimal places.
