FROM THE DESK OF TEACHER-IN-CHARGE

By dint of hard work and untiring efforts of academicians, social workers and local administration Bidhan Chandra College started its journey as a general degree college in the academic arena of Asansol industrial belt in 1961.

Previously it was affiliated to The University of Burdwan, now under KaziNazrul University from the academic session 2015-2016. Our esteemed institution, step by step, after 55 years of glorious journey intend to

march ahead with hope and aspirations of students, teachers, office staff and academic persons of the locality; offering 16 Honours subjects, one Post Graduate subject in English and two Professional courses like BBA (Hons.) and BCA (Hons.).

Present world is changing day by day due to improvement of modern technology and diversifications in business and economic activities in the country and the world as a whole. So our students must try to adapt themselves with such changes so that they can be well-versed and highly acclaimed 'citizens' of the society.

Let our teachers, students bear the torch of learning to remove the social maladies like narrowness, ignorance, intolerance, superstitions, anti-social activities etc. Let our institution be a dream destination to the students.

In fine, I convey my heartfelt welcome to all the prospective students of the college.

With best wishes,

Dr. Monoranjan Ghosh
Teacher-in-Charge
